

## Hampshire County, WV

### DEFINING “COLLEGE”

Any form of high-quality education or training beyond high school.

This includes certificate programs, workforce training, apprenticeship programs, two- and four-year degree programs, and military service.

### THE GOAL

The goal is to ensure that at least 60 percent of Americans have some sort of degree, certificate, or other postsecondary credential by 2025. This is to keep up with changing workforce demands that require education or training beyond high school to fill positions.<sup>1</sup>

### COLLEGE READINESS

Four out of every ten first time college freshmen in Hampshire County are not college ready.<sup>2</sup> Students who are not college ready may be required to take supplemental courses that help them fill in the knowledge gap to successfully complete college-level coursework.

# IN WEST VIRGINIA, COLLEGE IS AFFORDABLE.

## THE VALUE OF A DEGREE

Deciding to go to college is an investment in your future -- and in West Virginia's future. Students who earn a college degree earn hundreds of thousands of dollars more over a lifetime than students who do not pursue postsecondary education, plus students who go to college experience more stable employment and are more likely to be civically engaged and contribute to their communities. And with West Virginia's changing economy, it is predicted that by 2020, more than half of all jobs in the state will require a postsecondary credential.<sup>1</sup>

## TYPES OF INSTITUTIONS

Part of the college experience is figuring out the right college pathway for you. Below is an explanation of some of the most common forms of college:

**Public two-year colleges:** Offer two-year associate degree programs in a wide variety of areas as well as certificate programs that can usually be completed in six - 18 months.

**Public four-year colleges:** Offer bachelor's degree programs that usually take four years to complete; many offer master's and doctoral degree programs.

**Private, non-profit schools:** Offer a wide variety of degrees and programs; tuition and fees are usually higher than those at public colleges, but many offer large scholarships through donor funds.

**Public career and technical education centers:** Offer training to high school students, adults seeking high school equivalency or specialized licenses.

## FINANCIAL AID OPPORTUNITIES

West Virginia students have a number of in-state and federal financial aid opportunities available to them, many of which are grants and scholarships, which do not need to be repaid.

Below is a list of some financial aid opportunities for West Virginia students along with possible award amounts<sup>2</sup>:

- Federal Pell Grant, up to \$5,920 annually
- PROMISE Scholarship, up to \$4,750 annually
