Scope: Grant awards will be based on requests. (there is no monetary cap)

Project Start Date: Project may begin October 1, 2021

Project End Date: Funds must be obligated before April 30, 2023

Project Completion: Projects must be completed by April 30, 2023

Project Final Financial Report Due: May 31, 2023

Purpose and Priorities

Perkins Reserve Grants provide funds to support collaborations in career and technical education between K-12 and community and technical colleges.

Proposals will be scored based on alignment with the following priorities:

1. **Partnership:** Grow and enhance access to high-quality CTE programs including (but not limited to) those that offer: dual enrollment, work-based learning, and/or industry recognized credentials.
2. **Dual enrollment:** Increase the opportunities for students to explore and engage in college and careers through dual enrollment with priority given to CTE-focused dual enrollment programs.
3. **West Virginia workforce:** Pilot new or innovative CTE programs that include a secondary/post-secondary partnership, especially those that include work-based learning opportunities and skills in high-need workforce areas (either throughout the state or regionally).
4. **Alignment with business and industry standards:** Introducing new or building capacity for existing industry recognized credentials, with priority given to those available to both secondary (through dual enrollment) and post-secondary participants

Applicants must address at least one of the priority areas listed above to be considered for funding, and all grant proposals must include activities that involve a partnership between secondary LEAs and post-secondary CTCs.

Eligibility

Grant awards are available through an annual application process. The number of grants awarded and the level at which they are funded will be determined by the number of applicants and the availability of funds.

All grant proposals must include activities that involve a partnership between secondary and post-secondary educational institutions. Applications must also address one of the priority areas.

Contact

Post-Secondary: Rick Goff at goff@wvctcs.org, Phone: 304-419-4121

Secondary: Tara Combs at tcombs@k12.wv.us, Phone: 304-558-2389

Use of Funds

These funds must follow the basic costs principles 2 CFR 200 and be within the scope of the project outcomes and activities. Costs must be necessary and reasonable to complete the project; documentation must be available to support each expenditure. A final financial report must be submitted at the end of the grant project

Application Deadline and Award Process:

FY22 applications will be accepted August 1, 2021 through June 1, 2022. Proposals must be electronically submitted at the following link: [Reserve Grant Application](#)

Projects may begin October 1, 2021. Projects must be completed by April 30, 2023. The community and technical college will be the fiscal agent and receive the grant award. The fiscal agent is responsible for ensuring expenditures are in compliance with federal funding laws.

Perkins Reserve Grants will be awarded through a competitive process. All proposals will be read and judged by a review committee consisting of members from the West Virginia Department of Education and Community and Technical Colleges. The review committee will determine award recipients based on the grant priorities and criteria using a scoring rubric. Both successful and unsuccessful applicants will be notified upon determination by the review committee. Award decisions made by the committee are final.

Application Deadline and Award Process:

The review committee will evaluate each submitted application using the Perkins Collaborative Reserve Grant Application scoring rubric.

Application Requirements

Complete proposals must include the following elements:

- Applicant Information
- Project Description
- Project Details: Plan, Outcomes, Performance and Evaluation Measures
